

March 4 – April 15, 2012

Join us for this time of emphasis on the Word of God. We will meet in small groups at host homes around the area on weeknights. There will be a video lesson taught by Rick Warren and then times of discussion and questions. There will also be time for fellowship and refreshments. This theme will be developed in our Sunday morning worship services.

This is designed to be a time of revival for us in God's Word. It is also a time of outreach. We want to invite our unchurched and unsaved friends, family and co-workers to join us in these small groups. Often people who are hesitant to come to church will try a small group if they are approached correctly. Remember we are dealing with basic questions about the Bible which will answer questions for those who know little about the Bible and what it says – but have a curiosity to know more.

We will conclude this 6 week study with Easter Sunday on April 8th and then a special Friend Day on April 15th. This will be the time to bring in our friends, especially those who we have touched during our Home Bible Studies, to join us for a special day at church.

Begin now to plan and pray for this time of refreshing!
